CLINICAL EXCELLENCE FOR TOOTH REPLACEMENT

TAKE THE NEXT STEP IN ELEVATING YOUR PRACTICE

Implant Pathway is a continued education continuum that focuses entirely on the surgical placement of dental implants. Implant Pathway was founded and is currently directed by two of the most credentialed Implantologists in the country, Justin Moody, DDS and Michael Freimuth, DDS.

Our continuum is divided into four sessions and can be designed to fit your schedule. At a Glance: Session One (online only), Session Two (hands-on/lecture), Session Three (hands-on/lecture) and Session Four (three days of live surgery).

Justin Moody, DDS is one of the most credentialed Implantologists in the country. He owns and operates several implant focused practices in South Dakota and Nebraska. He is the Founder and Co-Director of Implant Pathway.

Michael Freimuth, DDS has partnered with Dr. Moody to bring Implant Pathway to fruition. He serves as the Co-Clinical Director for the continuum and assists in all aspects of hands-on and lecture training. He owns a dental practice in Wheatridge, Colorado.
