

Smart Start

A special savings program with A-dec

Without Smart Start, I'm not sure I would have been able to equip my office with such high-end operatory equipment.

Dr. Kelly McGowan, McGowan Family Dental, Chicago, IL.

Opening your first practice is a big decision, and a big investment. A-dec makes it easier with Smart Start—a special savings program designed to help doctors jump-start their first practice. For Dr. Kelly McGowan, it made all the difference.

We'd like to help make it easier for you by offering a 25% discount off retail pricing to support the opening of your first practice. This discount will be ongoing for purchases of A-dec equipment, furniture and clinical purchases for the next 2 years. As an ADDED BONUS, if you add an A-dec Vacuum System with your initial start-up purchase, we will give you a A-dec Air Compressor (of matching size) for FREE.

- **BUY** Minimum 2 Rooms of Core Equipment with chair, unit, light and 12 o'clock cabinet (\$14K per 12'oclock cabinet)
- **GET** 25% Discount off Retail Pricing on ALL A-dec purchases for 2 years (and move to A-dec's Clinic Discount for added purchases in years 3 and 4)
- **PLUS GET** a Free A-dec Compressor when purchasing a matching A-dec Vacuum System

We also offer:

- CE courses to help you along the journey
- Complimentary interior design consultation
- Equipment test-drives at A-dec Education Centers in Newberg, OR, and Nashville, TN

Reach out to your local A-dec representative for pricing details and program eligibility requirements. Let A-dec Smart Start help you create the first-time practice of your dreams. Learn more at a-dec.com/empoweringyou
