

SPECIAL OFFER

Offer ends December 31, 2020

BUILT TO LAST THROUGH TOUGH TIMES

Times are tough — but so is KaVo IXS™. The next generation of Gendex™ sensors are more durable than ever*.

- ▶ **Three times more resistant** to damage or functional failure*
- ▶ Handles **double the biteforce** without cosmetic damage*
- ▶ The cable is able to **withstand 22 lbs** of force without functional failure*

From now through December 31, 2020, trade-in your old Gendex sensors to the new KaVo IXS at exclusive pricing!

UPGRADE YOUR SENSORS!

Contact your local KaVo Imaging Consultant, or call 888-ASK-KAVO.

KAVO | IMAGING

Follow These Easy Steps to Upgrade

- 1 Contact your local KaVo Imaging Representative or call 888-ASK-KAVO.
- 2 Your KaVo Imaging Representative will set a short appointment to prequalify your office and present a demonstration of KaVo IXS.
 - ▶ Supported Operating Systems: Windows 10 (Professional Edition only), 64 bit (or higher).
- 3 Once prequalified, use the applicable promo code on your order.
- 4 Schedule your Tech Support appointment online: kavoimaging.as.me/IXSUpgrade You will need to enter the serial number of the sensor you are trading in.
- 5 Email orders@kavokerr.com for your free, return shipping label. The below information must be included. Or you may go to imaging.kavo.com/returnlabel to complete an online request form.
 - ▶ Practice contact person
 - ▶ Practice name
 - ▶ Practice address
 - ▶ Practice phone
 - ▶ Email address (for return label)
 - ▶ Serial # of sensor being returned
 - ▶ Model of sensor being returned (i.e. Gendex)
- 6 Mail back your old sensor with the return shipping label emailed to you **within 30 days of invoice date**.
- 7 Enjoy using your new KaVo IXS sensor!

*Terms and Conditions: Offer valid on qualifying purchases of KaVo IXS and cannot be combined with any other promotion, discount, or special offer. This offer is valid from August 1, 2020 through December 31, 2020. Promo codes **size 1: 88002357** or **size 2: 88002358** must be on the dealer PO and/or invoice. The PO must be submitted by December 31, 2020 and invoice submitted by January 31, 2021 to orders@kavokerr.com. Customer must provide serial number of trade-in sensor and complete Tech Support installation appointment to receive return shipping label. All trade-in sensors must be received to participate. Trade-in sensor does not need to be working.

In order to receive the KaVo Kerr Preferred Rewards points, you must be registered at kavokerrpreferred.com prior to purchase. Points will be automatically deposited to your account by the end of the promotional period. Note that you may have an obligation under federal, state or local law to reflect discounts on product given pursuant to this promotion on any cost report forms submitted to a federal or state government or private payer who provides reimbursement for that product. ©2020 KaVo Imaging.
