Offer for dental practices only as sold by Midmark authorized dental distributors in the U.S. and Canada. This offer constitutes a discount or reduction in price on the purchased product(s). Buyer/Lessee/Lessor is obligated to: (i) fully and accurately disclose the amount of this discount in Buyer/Lessee/Lessor's cost reports or claims for reimbursement to Medicare, Medicaid or other U.S. federal healthcare program that requires such disclosure; and (ii) provide documentation of the discount to representatives of the U.S. Secretary of Department of Health and Human Services and state agencies upon request. Buyer/Lessee/Lessor may request additional information from Midmark if necessary in order to meet its reporting or disclosure obligations. This offer may not be combined with any other offers, promotions or contract pricing except the Midmark PLUS Program.

Midmark M11 and M9 Steam Sterilizers

Safety Simplified.

Midmark M11 and M9 Steam Sterilizers have been the reliable choice for dental practices for years. To keep pace with changes in the practice of safe and efficient dentistry, we have upgraded not only the look but also the capabilities of these sterilizers.

Some of the new features include:

- Reconfigured Sterilization Cycle—aligns with new FDA recommendations
- Improved Drying Capabilities—includes additional heating during drying and a pouch rack
- Upgraded Printer—simplifies record keeping
- Advanced Compliance - meets the ANSI/AAMI ST55:2010/(R)2014 testing standard

Every day, the average dental assistant accesses the steri-center more than 80 times, and labor can cost practices up to 25% of their annual budget.¹ Midmark automatic steam sterilizers simplify instrument processing, minimizing the back and forth required by other sterilizers.

Midmark Steam Sterilizers help you maintain compliance with:

- Streamlined instrument processing operations
- Alignment with updated recommendations for sterilization cycles
- Better documentation of sterilizer operations

For more details about these new sterilizers, visit [midmark.com/IP](https://www.midmark.com/IP) or contact your local Midmark distributor.
