

Your patients trust you to keep them from harm. The next step is up to you.

Choose the imaging equipment you need for superb diagnostic quality while providing exceptional patient safety and comfort.

The Progeny Vantage® Digital Panoramic System from Midmark provides all this and more. An extensive feature set includes precise positioning tools with a tablet-like operator panel for easy and accurate operation. For your intraoral needs, the thin-profile, contoured ClearVision® digital sensor offers a comfortable experience your patients will appreciate.

As always, when you buy from Midmark, you partner with a company that supports you and your team with training and service you can count on.

CONTACT YOUR DEALER TODAY AND ASK ABOUT OPPORTUNITIES TO SAVE ON YOUR NEXT PANORAMIC SYSTEM OR DIGITAL SENSOR FROM MIDMARK.
